GERMANS HURL 250,000 FRESH TROOPS INTO THE FRAY IN FRUITLESS EFFORT TO CHECK ADVANCING ALLIES' RUSH

More Than 31,000 Prisoners Taken From Germans in Three Days.

FRENCH CARRY ALL WORKS ON AISNE

Holes Three to Four Miles Deep Punched in German Line of Defense in the Greatest Battle Since Marne.

By Associated Press Dispatch.
Germany has thrown nearly a quarter of a million fresh troops into the fray on the sixty-mile sector on the western front between Soissons and Aubervie, and still is unable to check the French advance.

Both north of the Aisne and in the Champagne, French troops are pressing forward.

The last stronghold of the Germans on the Aisne was taken with the capture of the Vailly bridgehead yesterday, and their wavering lines continued last night to be pushed rapidly northward.

From Chavonne, on the Aisne, the French have driven more than three miles north of the river, despite desperate resistance by the reinforced German armies.

In the Champagne, the success of the French is equally striking.

They have driven a great wedge more than three miles deep into the German lines between Rheims and Aubervie, and last night's attack netted General Nivelle's men several important heights in the Moronvilliers region.

The French have so far taken more than 17,000 prisoners in their offensive.

At last accounts, the British had taken in excess of 14,000, so that the combined offensive of the two armies thus far has resulted in the capture of more than 31,000 men or, the greater part of two German divisions.

LOYD GEORGE HAS SOLUTION FOR IRELAND

(Associated Press Cable)
London, April 19.—The Manchester Guardian says that it is virtually certain that Premier Lloyd George will announce the Government proposal for the solution of the Irish question on Thursday.

The scheme will be based on county option, with some arrangement for keeping the counties that vote against home rule in orderly relation to the legislation of the Dublin Parliament.

The proposal will put the home rule act into force at once, and while it is expected that both Irish parties will oppose the scheme, it is believed that neither will persist in their resistance.

The Manchester Guardian says that it seems probable that Sir Edward Carson has yielded to the Premier's solution.

RUSSIANS TO FIGHT UNTIL END

Foreign Minister Declares Free Russia Doubly Strong Since Democratization.

(Associated Press Cable.)

Petrograd, via London, April 19.—Russia's allies need have no fear that she will desert the alliance or weaken her resistance to the enemy, Professor Paul Milukoff, the Foreign Minister, said today in an address to the representatives of British and French workingmen who are now in Petrograd.

"We understood that, at the moment of the revolution, you might be afraid we would remove our strength for resistance," said the Foreign Minister.

"I beg you to announce to your countrymen that free Russia has become doubly strong through democratization."

"SLACKERS" CANNOT HIDE BEHIND WIFE

War Department Announces That All Men of Military Age Married Since War Declared, Will Be Eligible for Military Service.

By Associated Press Dispatch.

Washington, April 19.—Men of military age who have married since a state of war against Germany was declared will not escape their obligations of military service, under War Department policy formally announced today.

The Department's statement follows:—

"The War Department announces that all men married since the outbreak of war will be treated upon the same basis as unmarried men insofar as their military obligations are concerned.

"It is desired that the utmost publicity be given by the press to this announcement.

"The Department was moved to take this action in order that all men should understand exactly what is contemplated in the organization of an army to fight Germany."

ADMIRAL PALMER HAS HIGH RANK AS CHIEF OF THE NAVIGATION

One of the most important posts in the United States naval organization, that of chief of the bureau of navigation, is held by Leigh C. Palmer. His actual rank in the navy is that of commander, but while he fills the office of chief of the bureau he has a place among the rear admirals and is known as Rear Admiral Palmer. Admiral Palmer was appointed last August. He is only forty-four years old and is one of the youngest men that ever held so important an office in the navy.

RAILROAD MEN ARE WANTED

By Associated Press Dispatch.

Toledo, O., April 19.—Harry B. George, inspector for the Ohio Public Utilities Commission, has received from Daniel Willard, Baltimore & Ohio president and chairman of the National Committee on Transportation, an offer of an army commission to go to Russia with five hundred other trained American railroad men to assist in the rehabilitation of the Russian transport system.

Four other Ohioans have received similar commissions, it is said. George will accept.

GREECE FACES NEW CRISIS

(Associated Press Cable.)

London, April 19.—An Athens dispatch says that King Constantine has been in consultation with certain party leaders in connection with the impending ministerial crisis.

The King had a lengthy conference with the British Minister on Wednesday, this being the first audience given to British representatives since the attack on British and French marines in Athens last December.

A dispatch from Athens late yesterday said that the resignation of the Greek Cabinet was impending.

DEBATE ON THE ARMY BILL OPENS MONDAY KAHN IS SPOKESMAN

Two or Three Days Will Be Required Before the Vote Is Taken.

Attention Called to Plan for 750,000 Volunteers for the Army and Guards.

By Associated Press Dispatch.

Washington, April 19.—Debate on the Administration army bill will begin in the House on Monday.

An agreement was reached today by House leaders, and consideration of the measure is expected to last from two to three days.

Majority and minority reports will be filed with the Clerk of the House on Saturday. The House adjourned this afternoon until Monday.

Preparing to lead the fight in the House for the Administration bill, Representative Kahn, ranking Republican of the Military Committee, conferred today with Secretary Baker.

Representative Kahn received additional information at the War Department to conduct the fight which he has undertaken.

To all intents and purposes, he will be Administration spokesman before the House on the question of army preparation.

It is expected Mr. Kahn will present in his minority report a letter from Secretary Baker sent to Chairman Dent two days ago in a final effort to get the committee to approve the Administration plan, which outlines clearly the purpose of military experts to provide places for nearly 750,000 individual volunteers in the expanded Regular Army and National Guard, and their reasons for distrust of any scheme for taking into the service complete volunteer units, as proposed by the minority of the House Committee.

BITTERNESS IS SPREADING IN NORWAY

(Associated Press Cable.)

London, April 19.—The torpedoing of an unnamed Scandinavian steamship, with the loss of all on board except Captain Olsen, is reported in a Reuter dispatch from Christiania.

The captain says the submarine rose to the surface after the torpedo had been fired and watched twenty-nine persons drown, without offering assistance.

The Norwegian press comments bitterly on this incident. The Shipping Gazette says the present situation of Norway is worse than if she were at war.

It adds that the United States should have the most cordial co-operation of all the Scandinavian countries in the effort to shut off Germany from exports even from neutral countries.

WORK ON BIG BATTLERS TO BE DELAYED

Merchant Ships to Be First Is Decision of Secretary Daniels.

By Associated Press Dispatch.

Washington, April 19.—Temporary suspension of construction work on the five new battle cruisers, and also on other capital ships, is under consideration, Secretary Daniels said today, so that such portions of the steel shipbuilding industry as are not engaged in building small fighting craft may be concentrated upon construction of merchant shipping to make good submarine losses.

No orders have been issued to delay work on the battle cruisers, but the Navy is holding up bids for three 42,000-ton battleships authorized by the last Congress, because it does not wish to clog the ship production capacity of the country with long time jobs in the present emergency.

NAVAL BILL IS FAVORED

By Associated Press Dispatch.

Washington, April 19.—The Administration bill to increase the enlisted strength of the Navy from 37,000 to 150,000 men, and the Marine Corps from 17,499 to 30,000, was favorably reported to the Senate today from the Naval Committee.

NO GERMAN SUB NEAR U. S. COAST

Berlin, via London, April 19.—It is officially announced that there is no German submarine as yet in the western part of the Atlantic.

Joffre and Viviani, Sent Here To Confer on War Co-operation

In sending Field Marshal Joffre and former Premier Viviani to America to head the mission which will arrange for our co-operation in the war, France signified the stress she lays on the value of America's aid. Joffre is the outstanding military figure of France, even though, as was superseded in chief command in the field by General Vieux. M. Viviani is one of the leading statesmen of the French republic and an experienced negotiator of agreements between conflicting interests. Joffre at left, Viviani at right in pictures.

SPAIN MAY ENTER THE WAR

Sinking of Spanish Vessels By German Submarines Believed Responsible for the New Crisis.

(Associated Press Cable.)

Madrid, via London, April 19.—The Spanish Cabinet has resigned.

By Associated Press Dispatch.

Washington, April 19.—The Spanish Embassy here is without official information of the resignation of the Cabinet, and Ambassador Riano said he was at a loss to estimate the cause of the breaking up of the Ministry.

All his dispatches for the last two weeks, the Ambassador said, indicated that the country was quiet, following the disorders of some time ago.

Spain has been in a state of uncertain political equilibrium for some time, the cable dispatches have indicated.

The food shortage and other internal troubles have caused labor outbreaks, and the declaring of strike late in March and the circulation of what was characterized by the government as "seditious" appeals to the people, led to the suspension of constitutional guarantees on March 29.

A government statement on April

SESSION WILL BE SECRET ONE

(Associated Press Cable.)

London, April 19.—Chancellor Bonar Law informed the House of Commons today that the Government had decided to hold a secret session of the House, the date of which would be announced next week.

A semi-official statement given out in London last night said a secret session of the House would be held shortly, after the return of Premier Lloyd George from the continent, for the discussion of man-power, air service, the submarine menace and other questions.

MILLIONAIRE HAS ENLISTED

By Associated Press Dispatch.

Chicago, April 19.—Marshall Fields III, one of America's richest young men, arrived here from New York today and set about winding up his business affairs preparatory to enlisting later in the day as a private in the First Illinois Cavalry.

Mr. Fields is 23 years old and married, and will draw \$15 a month.

PERSONALS

Mr. and Mrs. Grant Hays went to Columbus Thursday to see "The Birth of a Nation" at the Hartman.

Mr. and Mrs. L. M. McFadden and the Wm. Worthington returned Wednesday night from a three week's tour at Martinsville, Ind., having had the baths of that health resort highly beneficial.

Miss Alice Irwin, of Greenfield, was guest of Mrs. E. J. Strobel Wednesday.

Mr. and Mrs. R. H. Sanders (nee Bowyer) are announcing the arrival of a daughter, Mary Elizabeth, April the fourteenth, at their home in Dublin, Ga.

Mr. and Mrs. T. W. Marchant made a business trip to Springfield Wednesday.

Mrs. Wm. Worthington and daughter Miss Edith, spent Thursday in Columbus on business.

Mr. Arthur P. Cherrington has been among the week's visitors in Columbus.

Miss Beas Shoop returned from a week's visit in Cincinnati Wednesday night.

Mrs. Ella Hopewell, of Chillicothe, visiting her sister, Mrs. Georgiana Crook, to attend the annual meeting of the W. M. Society of the Chillicothe Presbytery.

Mr. C. A. Reid and Mr. B. F. Jamison motored to Columbus on business Thursday.

Mr. and Mrs. Elton Marine were visitors in Columbus Wednesday.

Mrs. J. M. McClure, of Bloomingburg, is the guest of her son, Mr. T. McClure, and family, while he attends the Chillicothe Presbytery.

Mr. W. W. Johnson, President of People's Bank of Jamestown was a business visitor here today.

Mr. Homer Gardner and wife arrived from Columbus, Indiana, Thursday morning, called by the death of Gardner's mother, Mrs. Kate Watson. They are at the home of Mr. Gardner's sister, Mrs. Chas. Crooks.

Mr. and Mrs. Will Heitesheimer, of Irene Paul and Miss Marie Hamilton went to Columbus, Wednesday.

Mr. C. E. Lloyd was called to Cincinnati on business Wednesday. Mrs. Lloyd and Miss Jane Jones accompanied him.

Miss Anna Welsh, of Chillicothe, is the guest of Mrs. Bella L. Ustiek, to attend the meeting of the Chillicothe Presbytery.

In Social Circles

The Sugar Grove W. C. T. U. held session with a large number present at the home of Mrs. Elmer Hardway Wednesday afternoon.

It was a business meeting in which the flower mission work was discussed and also that of the Dry Federation and work planned for coming summer.

Mrs. Pearl Darlington, President, presided, the entire afternoon was given over to this work, with the exception of a much enjoyed social hour, during which there was music and the hostess assisted by Mrs. Wm. Hardway, served delicious refreshments.

Mrs. C. S. Haver charmingly entertained the girls of her class at Grace Sunday School, Thursday afternoon.

All the joy of the bright Spring day flooded the home, radiant with spring blossoms and the fragrance of the narcissis.

The hostess had provided entertaining diversion in a variety of guessing contests and the afternoon was one of unalloyed pleasure.

A daintily served collation was a feature of the hospitalities.

The girls of the class are Misses Chloe Anderson, Helen Bishop, Francis Bishop, Freda Barger, Lela Culbertson, Leona Cheek, Winifred Margaret Mark, Jessie Sunkle, Mary Reno, Naomi Murphy, Mina French, Pauline Gault, Lucy Reeser, Martha Minnich, Georgie Belle Hays.

Mrs. Fred West is entertaining at an informal little dinner tonight Misses Gertrude and Edith Gardner and Miss Dorothy Rogers, giving them the opportunity of hearing her new Winsor Machine.

Base Ball This Year

The base ball season, notwithstanding the fact that the weather conditions have been decidedly unpleasant in most "league cities," is now in full swing and hundreds of thousands of Americans find relief from the strain of business and the war crises, in the excitement of the great national game.

While the great world is at war base ball is enjoying a season of peace. For magnates and players the base ball war which so disturbed both the science and the financial affairs of the great game, closed with the collapse of the Federal League more than a year ago.

The more timid magnates have feared that the effect of war excitement and the prevalence of high prices would materially reduce the interest in the game and cut down the attendance even to the point of menacing the financial end. Attendance at games thus far, however, is sufficient to dispel that fear.

People are turning to base ball—that great, clean, honest, out-of-door sport as the "safety valve" for their pent up emotions.

The excitement of the game as it passes through the various exciting stages, the liberty given the "fans" to express their minds, give noisy vent to their pent up feeling and to talk with their neighbors without regard to social or financial standing, affords an ideal relaxation from the strain of the times.

It is always good for the "penned up" folks to get out for a couple of hours to the ball game but it was never better for them to do so than this year.

Go out and sit in the sun and exercise your vocal chords at the ball game. It will do you good.

The Farmer's Excuse

Jury service during the busy times of the year—"spring-time and harvest"—has long been one of the troubles of the farmer.

In ordinary times—times when conditions are normal—the farmer called to service on the jury has been unable to secure an excuse on account of pressing work on the farm. Under those conditions the farm work was his own private benefit and the larger service the demand of the public was for jury work and the farm work was compelled, under those conditions to wait.

Now conditions have changed—have been reversed in fact and the larger duty of the farm, his greatest service to the public is on the farm. Much as the nation needs jurors it doesn't need them nearly so much as it does grain and food-stuffs. The courts everywhere recognize this and are promptly excusing farmers from jury service on the showing of pressing work on the farm.

When personal duty clashes with public duty the farmer must give way and when two public duties are calling to the same individual the least important must wait.

As Colonel Roosevelt would say—"isn't that perfectly plain."

Conserve the Grain

The nation could and should conserve a very considerable portion of the grain produced by forbidding its use in the manufacture of whiskey and beer.

While in the multitude of important suggestions made to the public during the last month that proposal has not received the attention it would have received had it come alone into the range of public consideration, it is one of the really big proposals of the time.

The nation at home or on the battle fields has less use for intoxicating liquors now than at any other time. The movement to suppress the manufacture and sale of intoxicants has been advancing at a tremendous rate during the last few years especially.

The coming of the present crisis has but emphasized the need for still further progress and added a tremendous reason for action.

It is encouraging to note that Governor Cox was among the first of the state executives to declare emphatically in favor of the grain conservation proposal by forbidding its consumption in the manufacture of intoxicants.

The "bell has rung" on the liquor traffic and the present crisis gives the old bell rope an extra pull so that it rings louder and will be heard much farther.

Poetry For Today

SALUTE THE FLAG.

Americans of every tongue,
Salute your flag, ye old, ye young,
Salute the beautiful colors rare,
The hero scroll enwoven there,
Salute the flag yeoman of brawn
Without it, neither hearth nor home;
There's all of love and life writ there
Upon its fluttering folds so fair—
Salute the flag.

Salute the flag, in times of peace,
With pray'r its blessings may not cease;

Saluting it, the past thing o'er,
Enrich thy soul with its great store,
Salute the flag when foes appear,
Within thy soul no craven fear
Wouldst thou of sires unworthy be;
Then hold not life more dear to thee—
Salute the flag!

Salute the Justice and the Right
That outweighs Cruelty and Might,
The people's rule—by them—for them
That must outlive each diadem,
Salute the flag so dearly bought,
Its glorious past would come to naught,
Were there, when danger cometh nigh,

No valiant arm to lift it high,
Salute the flag!

The blue, the white, the crimson seam
Enraptured by pray'r—the sword between,

The amen corner, of the stars,
It yet shall make a war on wars—
Salute it! yea, tho' cruel death
Should come to thee, thy latest breath
Well spent, if Freedom's cause survives;
It must not die, though countless lives
Shall thus
Salute the flag!

—E. H. S.

LABOR EXCHANGE TO BE LOCATED IN WASHINGTON

This City One of 22 in Ohio Chosen By Governor Cox, and Mayor Goes to Columbus for Conference—Bums Must Work.

This city is one of 22 Ohio cities chosen by Governor Cox as a labor exchange center, and in response to a telegram from Governor Cox, Mayor John Oster, Jr., went to Columbus, Thursday morning, for a conference with Governor Cox at two o'clock Thursday afternoon, when the question of mobilizing labor will be discussed by the Governor and mayors of the 22 cities.

The "labor exchanges" will be nothing more or less than thoroughly organized employment agencies which will assemble the names of those desiring employment and also those who desire laborers.

War will be declared on the idlers and loafers in the statewide crusade launched by the Governor, and va-

grancy charges will probably be placed against habitual loafers if they fail to accept work when offered.

It is the intention of the Governor to have all idlers take in tow by the police and sheriff, according to an announcement from Columbus, and see that they get work and get in a hurry. Particular attention is to be given toward supplying all demands of farmers for farm help, this being the prime object of the labor exchanges.

"The bums who eat, but don't produce, must go," says Governor Cox. "Some probably will attempt to run to other states, but the chances are they will be picked up there in the same way."

This plan developed at a conference between the Governor, F. C. Croxton, head of the labor division of the council of defense; T. J. Duffy of the agricultural division. The labor division is to be enlarged by the addition of several persons to serve with Croxton.

It was announced that the labor exchanges will be located at Akron, Athens, Canton, Chillicothe, Cincinnati, Cleveland, Columbus, Dayton, Hamilton, Lima, Mansfield, Marietta, Marion, Portsmouth, Springfield, Steubenville, Tiffin, Toledo, Washington C. H., Youngstown and Zanesville.

The proposed exchanges will be open from 6 a. m. to 9 p. m. Not only will there be office men to assign applicants to farmers' request-

ing men, but many will be detailed to go out and hunt up unemployed men, preferably those with some farm experience, and induce them to apply for work at the exchanges.

Need for help, while existing throughout the state, is most marked in the northeastern and southeastern sections, it was said.

CENTRAL WINS EXCITING GAME

The youngsters of Central easily defeated the Cherry Hill team in the second game of base ball this season, Wednesday evening, the score being five to 0.

Duffey and Tracey were batteries for Central and Powers and Edwards for Cherry Hill.

It was a very much one-sided game from start to finish.

Emerson - Brantingham Farm Tractors

We are firmly convinced that EMERSON-BRANTINGHAM TRACTORS have certain exclusive, patented features which mark their superiority over any other Tractor so far placed on the market.

Several leading Fayette County farmers are using E-B Tractors with most satisfactory results in reducing the cost of producing crops. Among them are Frank L. Parrett, Lewis C. Parrett, C. P. West, Ernest Crouse, Thomas Carpenter, W. H. Wilson and Wm. Huffman.

THE PATENTED PLOW HOIST operated by a foot pedal, lifts the plows and plow wheels clear of the ground enabling the tractor to move freely backward as well as forward and thus allows the plowing of every foot of ground which a team can reach. This feature alone puts the E-B Tractor in a class by itself, for there is no lost ground and makes it strictly a one-man outfit.

THE POWERFUL FOUR CYLINDER MOTOR is built exactly like the motors which have proven most successful in automobiles and trucks. The Emerson-Brantingham Company has not tried to invent a new type of Tractor Motor, but instead it has watched the development of the automobile and truck motor and then simply adapted the best type of automobile motor to its Tractors. It has thus profited by the millions of dollars spent by automobile and truck manufacturers in perfecting motors.

The man who buys an E-B Tractor isn't buying a motor experiment. He gets a proven, practical power plant about which there is no doubt whatever. In fact, experience proves over and over that the farm tractor built nearest like automobiles and high grade motor trucks, including transmission, differential, case hardened gears and roller bearings all running in oil, in a tight case keeping the oil in and the dirt out is the only practical type of Farm Tractor.

Emerson-Brantingham Tractors are made in many sizes. There's one for the man who owns a ranch and there are smaller sizes suited to every man who operates a Fayette County farm.

For three years we have been watching E-B Tractors work on Fayette County farms and elsewhere in the United States and Canada and have checked up the results closely; therefore we are ready to indorse them without qualification as the best Farm Tractor on the market today.

We buy E-B Tractors in large lots and keep a full stock of parts. Also we are especially equipped to render the service which necessarily follows the sale.

New Farm Tractors, like automobiles, require adjusting under expert direction. Our patrons get the benefit of this service and escape loss of time while waiting for "Factory experts" to arrive.

PARADE FRIDAY EVENING WILL BE BIG AFFAIR

Complete Plans Announced for Patriotic Demonstration Such as City Has Not Seen for Great Many Years—Everyone Invited.

The patriotic parade, which will be held in this city beginning promptly at seven o'clock tomorrow evening, promises to eclipse all similar events held in this city in a great many years, and as it is to represent the patriotism of every man, woman and child in the city and all outside who desire to take part, it is expected that thousands of flags will be carried or otherwise displayed. The parade forms promptly at seven o'clock, on Main street, between Court and Paint streets, and in addition to the big crowd of citizens and organizations, 1400 school children will take part. The line of march is down Main street to East; east on East to North

north on North to Court, west on Court to the courthouse square, where a patriotic mass meeting will be held, presided over by Hon. Frank C. Parrett, Hon. C. A. Reid and Dr. R. M. Hughey will speak. The Washington Band will give a concert of patriotic airs. Company M will give a drill on the court house lawn. A red fire will be placed along the entire line of march, and places of business will be decorated for the event.

Owing to the shortness of the parade it is imperative that all organizations be on hands promptly and ready to move at seven o'clock.

The parade will form as follows: Mounted Marshal of the day, Squad of horsemen, Washington Band, Company M, O. N. G. G. A. R. Organizations, Junior Lodge, Public Schools, Ladies and Ladies organizations, Secret organizations, Citizens.

It is understood some of the Uniform Ranks will take part in the demonstration.

BAIT IN DEMAND AMONG ANGLERS

So idea of the tremendous demand for bait for fishing may be gleaned from the information that a dealer in minnows in this city disposed of 1,000 minnows between four and

nine o'clock, Thursday morning, the demand being almost unprecedented. Large numbers of fishermen, enticed by the warm sunshine and spurred on by the "call to the wilds," left the city early Thursday, expecting to find the streams in eastern Fayette free of the flood waters which prevented fishing Wednesday.

THIS BARBED WIRE BARRICADE FAILS

Barbed wire barricades in this city don't go—at least not at present! This was the decision of Mayor Oster, Thursday morning, when complaint was made that Jess Dailey had erected a barbed wire fence within a few inches of the sidewalks on Florence street.

Orders were issued at once to have the fence removed without delay, as a menace to public safety.

DEATHS

KING. Basie Lucile King, daughter of Harold and Opha King, died at her home on the Good Hope pike at 7:00 a. m., Thursday. Aged 5 years.

Funeral services will be held at 10 a. m. Saturday at Good Hope M. E. church. Burial in Good Hope cemetery.

EMBARGO BILL IS REPORTED

By Associated Press Dispatch.

Washington, April 19. — Senator Fernald's bill giving the President authority to embargo exports in time of war, when he finds the public safety or welfare demands, was approved today by the Senate Commerce Committee. A similar bill is pending, with Administration approval, in the House.

NICARAGUA WITH THE U. S.

By Associated Press Dispatch.

Washington, April 19. — Nicaragua has aligned herself with the Latin-American nations endorsing the entry of the United States in the war with Germany.

The Foreign Office at Managua notified the State Department today that the Government there sympathizes with the United States in its action, but made no mention of neutrality.

BAKER PICKS AN ASSISTANT

By Associated Press Dispatch.

Washington, April 19. — Secretary Baker announced today the appointment of Frederick P. Keppel, dean of Columbia University, as an Assistant Secretary of War with the indefinite assignment of advising and helping the Secretary in any way possible, at the nominal salary of \$1 a month.

The small salary was provided because of a legal prohibition against employment of Federal officials without pay.

ASKS COURT TO CHANGE HER NAME

By Associated Press Dispatch.

Cincinnati, O., April 19. — Declaring that her name sounded too German for one as loyal to America as she, Miss Beaula Shinsheimer, prominent in women's club activities, today requested Probate Court to change her name to Sensesmer.

PLAN MEETS WITH GENERAL APPROVAL

The plan of listing Washington loafers with a view to compelling them to get out and get busy toward making a living, or facing a charge of vagrancy, has met with general approval and Washington citizens who have long been disgusted by the presence of loafers on the sidewalks, court house benches, and general loafing places are eager to see the plan put into effect.

Not only is the plan being considered in this city, but other towns are taking up the problem and will make it mighty uncomfortable for the lazy loafer from now on.

It is pointed out in each instance that the loafer whistles away his hours when he could be doing something toward supporting himself and family, or at least himself, and in the winter the township is required to pay his grocery bills.

This is a year when everybody is expected to do his or her bit.

PUPILS WILL BE GIVEN DIPLOMAS

County Superintendent of Schools O. S. Nelson, has announced that all boys attending school who desire to enlist in the army, or who are needed upon the farm, may stop school at once and be given their full credits and diploma. This, of course, means boys in advanced grades or who would graduate.

One Bloomingburg youth, Leo Bogges, was released under this plan a few days ago, and enlisted with Company M of this city.

Superintendent Nelson is working on plans for active co-operation in insuring greater food production in Fayette county this year, and is encouraging the work of both boys and girls in every way possible.

CAN'T STAND ON REAR PLATFORM

Under an edict just issued by the Pennsylvania railroad company, no one is permitted to ride on the rear platform of any of the company's passenger trains. This applies to the trains passing through this city, and in fact every train run on the entire system.

The reason is obvious. It would be an easy matter for an alien enemy, riding on the rear of a train to drop an explosive which would wreck a bridge or do other heavy damage toward delaying traffic or blowing up a train following.

It is expected that virtually every road will follow the same method in dealing with the situation.

WELL PRODUCING FIFTEEN BARRELS

The first well of the Thad McLean Oil Company, near Saratoga, Texas, is producing fifteen barrels daily with prospect of an increase to double that capacity, according to Mr. McLean, who was in the city on business Wednesday.

At the point where the well is located the company has room for 24 wells, which will be put down as rapidly as possible, with the assurance that they will all be producers.

Mr. McLean figures the first well worth \$6,000 per annum.

FAYETTE PLANT WILL USE SUGAR

While many canning companies are planning to put up this year's pack without sugar, owing to the prohibitive price and the scarcity of sugar, Mr. R. C. Peddicord, manager of the Fayette Canning Company of this city, has announced that his company will use sugar in all goods packed this season.

Arrangements are being made to pack the usual large crop of sugar corn.

THIS JUDGE WILL EXCUSE FARMERS

All farmers called to jury service in Greene county will be excused upon request, according to announcement made by Judge C. H. Kyle, of the common pleas court of that county.

This is done in view of the urgent demand made upon farmers for the cultivation of every available acre in order to increase the food supply.

NO SUGAR IN CANNED CORN THIS SEASON

Prohibitive Price of Sugar Results in Decision That Canned Goods Will Not Be Sweetened This Year.

Walter J. Sears, of the Sears & Nichols Canning Company, which owns the canning plant on Sycamore street, this city, has announced that because of the prohibitive price of sugar canned goods packed by his company this year will not be sweetened.

This is the time when canners usually contract for their huge supply of sugar for sweetening canned goods, but with the price soaring to new heights and the fact that sugar cannot be obtained in large quantities, the canners are beginning to plan for packing goods without the usual addition of sugar.

It is expected that the action of the Sears & Nichols Company will be followed by virtually all canners, as sugar can easily be omitted without injuring the corn or changing its keeping properties, so that it will be necessary for the housewife to add enough sugar to give it the proper flavor.

Mr. Sears stated that it would be possible for canners to get sugar "second-handed," that is, from dealers who have impracticable as the ers who now have contracts, but price would be "out of sight" and in as much as sugar is not absolutely necessary in canning, but very little "second-handed" sugar will be purchased.

IMPERIAL REBEKAH LODGE
All members of Imperial Rebekah Lodge are requested to meet at Hall Friday evening at 7 o'clock to take part in Patriotic Parade.

Washington C. H., Ohio

LANDS BIGGEST BASS OF SEASON

Attorney D. L. Thompson Wednesday afternoon pulled from the placid depths of Cedar Hole, near Rock Mills the largest bass caught this season, and one of the largest bass ever caught in the county.

The big fellow weighed four pounds and two ounces and was the prettiest fish landed in Fayette county in a great many days.

So far as known the bass was the largest ever taken from Cedar Hole, and it was only by expert work that he was brought safely to shore.

The number of large fish being taken from Fayette streams this spring is the subject of a great deal of comment among fishermen, and indicates that the work of the Fayette Fish and Game Protective Association is beginning to show good results.

OBITUARY

Of Mrs. Laura Bell Tharp.

Mrs. Laura Bell Tharp was born in Champaign county, Illinois, April 5th, 1857, departed this life, April 9th, 1917, aged sixty years and four days. With her parents, Mr. and Mrs. Joseph Beatty she came to Fayette county, Ohio, in the year of 1859 and spent all of her life time in and about Fayette county. She was united in marriage to John Tharp, July the 26th, 1876. To this union were born five children, all of which survive her: Oliver, of Mt. Sterling; Mrs. Ethel Crisman, of Washington; Mrs. Bertha Baker, of Washington; Mrs. Laura Hughes, of Madison Mills and Roy at home. She leaves to mourn, her husband, five children, father and mother, two brothers, two sisters and eleven grandchildren.

She united with the Brethren church at Fairview in 1885 and has since lived in the faith of that church. Of late years she attended church at Bloomingburg and other places, but never lost sight of her own church. Aside from her other duties in the church she taught a Sunday school class and has always been loved and respected by all. She has served well the place of a deacon's wife and the church will miss her.

You have heard the testimony of those who have known her and her work. You have listened to her in the class room. You have looked up on her helping others to live better and higher lives and giving inspiration to all.

My words as her pastor will be of her last days in the sick room. That room has been to me like a veritable Mount of Transfiguration, where I have beheld the glory of the Lord reflected on the face of His servant.

To us it seems hard that a woman of her physical vigor, so full of hope and ambition, so richly equipped for service and endowed with such affluent resources of mind and heart, should be arrested in mid-career and bid to drop the work she loved and for which she was so eminently qualified. But it did not seem hard to her. She committed her body and soul, her present and future, into the hand of the Lord whom she loved and trusted, ready to accept His will, whatever that will might be. If further service awaited her here, it was well; if promotion to higher service above, it was better. I have enjoyed a great privilege, and an indescribable confirmation of my faith, in being permitted to witness her patience, her resignation, her confidence and joy in the Lord. Her faith penetrated the visible forms of things and grasped the invisible. God, and Christ, and heaven, and eternal life were as actual as her own personal identity.

She told me she was dying in the

faith. The same faith in which all the generations of believers in the past have lived and died; that she was strong and of good courage, and her heart was stayed in her God; that she had a vision and revelation of the Lord, that her faith was stronger than ever in God, in Christ, in the atoning sacrifice of the Redeemer, in the power of the Gospel to transform the world. She took no comfort from the recollection of anything that she had done, but praised God that she had been permitted to raise her five children to manhood and womanhood in the fear and love of God.

We do not know anything about the life beyond. We believe, however, that there is a life beyond and that it is this life that Mrs. Tharp is living. When we look we cannot see but as a belated traveler, storm beaten, and hurrying to those she loves, suddenly through some door opened to admit another traveler to his home, catches for an instant the voices of welcome and gladness, the strains of music, and the glow of light and warmth diffused within, and then, the door closing, is left alone with the darkness and the storm, so only do we catch glimpses of the life beyond.

We feel a pang of sorrow today because we have lost a loved one. Nevertheless, we may and should comfort ourselves as knowing that the toll and burden-bearing of this our friend are exchanged for the repose of heaven; that the battle is ended, and she is a crowned victor; that the struggle of many years after the likeness of the Master is now completed by her being brought to see Him as He is, and to union ineffable and eternal with Him whom her soul loved. In the midst of grief and tears we will rejoice in the life and immortality brought to light through the Gospel.

Friends, such a woman as this never dies. The death of such a woman is but the unloosing of her powers. It is not defeat, not collapse, but achievement. I know not how far and wide the fame of this woman will ring, or what the world's estimate of her will be; but this I know, that she was a great and good woman in the sight of the Lord; and the work she did, and the words she spoke and the character she built and the influence she set in motion, will out live the stars.

A Personal Testimony by Lyman Beecher Wilkins.

Of all the women I have known and all the mothers I have been privileged to associate with, I have never found one who gave her God, her home and her children larger consideration. Thank God for a woman whose life speaks as does this woman and, for a life spent as this one was spent, and for a home such as his one provided and made, for of such must be the kingdom of heaven.

—Lyman B. Wilkins, 1917.

Cleanse the blood, the bowels and the

liver with Dr. Edwards' Olive Tablets.

The successful substitute for calomel—

there's never any sickness or pain after

taking them.

Dr. Edwards' Olive Tablets do that

which calomel does, and just as effec-

tively, but their action is gentle and

safe instead of severe and drastic.

No one who takes Olive Tablets is

ever cured with "the old brown tonic,"

a bad breath, a full tongue, "no rest"

feeling, constipation, torpid liver, bad

disposition or pimply face.

Dr. Edwards' Olive Tablets are a

purely vegetable compound mixed with

olive oil; you will know them by their

olive color.

Dr. Edwards spent years among pa-

tients afflicted with liver and bowel

complaints, and Olive Tablets are the

immensely effective result.

Take one or two nightly for 4 weeks.

See how much better you feel and look.

10c and 25c per box. All druggists.

Ohio-Made Flour Is Best

Ohio-made flour is the finest in the world for flavor, food value, and general baking qualities. Its superiority is recognized everywhere.

Therefore, use Ohio-made flour in all your baking.

Any Ohio-made flour that bears the "Better Flour" label is better to use, because, to be so guaranteed, the flour must conform to the Ohio Millers State Association standards of Purity and Quality.

Your grocer sells some Ohio flour guaranteed under this label. Insist that he send you flour so marked.

DOES RHEUMATISM BOTHER YOU?

Many Doctors Use Musterole

So many sufferers have found relief in Musterole that you ought to buy a small jar and try it.

Just spread it with the fingers. Rub it in. First you feel a gentle glow, then a delicious, cooling comfort. Musterole roots the twinges, loosens up stiffened joints and muscles.

Musterole is a clean, white ointment, made with oil of mustard. It penetrates to the seat of pain and drives it away, but does not blister the tenderest skin. It takes the place of the messy, old-fashioned mustard plaster.

Musterole is recommended for bronchitis, croup, asthma, pleurisy, lumbago, neuralgia, sprains, bruises, stiff neck, headache and colds of the chest (it often prevents pneumonia).

Always use the best; that's Red Cross Ball Blue. All leading grocers sell it. 5 cents.

Sunday Excursions C.H.&D.Ry

Commencing Sunday, April 15, continuing to Dec. 30.

WASHINGTON COURT HOUSE AT WAR!

In answer to the appeals from the President, the Congress and our Governor, the People of Washington C.H. have arranged for

A Great Patriotic Demonstration Friday Evening, April 20th

Thousands of patriotic men, women, boys and girls of this city and county will assemble in North Main Street, between Court and Paint Streets, and form a Magnificent American Parade, which will march over the principal up-town streets.

All organizations of the city and county are urged to attend in bodies and join in with all of our citizens in making this the most wonderful Patriotic Spectacle ever witnessed in Washington Court House.

Every man, every woman, every boy and every girl who has good red American blood in their veins are expected to come out and fall in line in honor of our glorious country.

BRING A FLAG WITH YOU

Concert Will be Given by Whelpley's Band

Whelpley's Band will head the Big Parade and give a Patriotic Concert at the Court House afterward.

The Boys of Company M will lead the marchers and later show us some of the military stunts they learned in seven months on the Mexican border.

GOOD SPEAKERS

Hon. C. A. Reid, Dr. R. M. Hughey and Hon. Frank C. Parrett will address the crowds from the Court House steps.

This Demonstration will occur regardless of weather conditions. Don't stop for rain—remember the Boys who are going to the trenches.

Your country's honor is in your keeping.

Remember The Big Parade will Start Moving Promptly at 7 O'clock
